

Dear *[Name]*,

As announced by the Canton of [...]’s Department of Education, we kindly ask you to **forward** the **invitation to the Family Life Study** on family life, long-term career and life planning, and financial security by the University of Zurich to the teachers at your school by the end of this week.

The study is explicitly supported by the Canton’s Department of Education and aims to contribute to fundamental scientific research.

You can either forward the text below directly via email or alternatively print the **PDF** provided here: *[Link to PDF]*

and distribute it to **all teachers** at your school.

Thank you for participating in the Family Life Study.

Should you have any questions or comments regarding this email or the study, kindly contact the research team via email at [...] or by phone at [...].

Best regards,

Your research team

Prof. Dr. Ana Costa-Ramon and Dr. Michaela Slotwinski

Email to Teachers

Subject: Invitation to Participate in the Family Life Study at the University of Zurich

Dear Sir or Madam,

We cordially invite you to participate in the **Family Life Study** at the University of Zurich **on family life, long-term career and life planning, and financial security**.

The study is aimed at primary school teachers in the Canton of [...]. It seeks to contribute to a better understanding of **decision-making processes related work and family life**. By participating, you help enhance the study's validity. Your personal experiences form an important basis for this research.

The study is conducted by an independent research team under the leadership of Prof. Dr. Ana Costa-Ramon at the University of Zurich, following scientific standards. Participation is voluntary, and **confidentiality** will be strictly maintained throughout the study.

The study is explicitly supported by the Canton's Department of Education and aims to contribute to fundamental scientific research.

The initial survey takes approximately **20 minutes**. Among all participants, **4 vouchers** worth **500 CHF** each will be raffled.

Please click on the following link or copy it into your browser to access the study:

[Link to survey]

For any questions, feel free to contact us via email.

We sincerely appreciate your participation!

Best regards,

Your research team

Prof. Dr. Ana Costa-Ramon und Dr. Michaela Slotwinski
